On behalf of Manna Meal, I wish to thank the 9-12 Student Math Club for the donation of 168 pounds of food items

This year marks the 40th anniversary of feeding the hungry in our downtown Charleston soup kitchen and the program has grown every year since. We now serve over 150,000 meals a year including feeding more than 1,700 children, possibly their only meal of the day. Your gift helps make it possible for us to continue to do so. We are not a governmental program and rely on the financial generosity of individuals, religious communities, corporations and businesses.

We are so grateful for your support. You have an open invitation to share a meal with us anytime and to follow us and our garden's progress on our web page at [www.mannameal.org](http://www.mannameal.org).

Sincerely,

Jean Simpson  
Executive Director
