

AP CALCULUS SUMMER ASSIGNMENT

Welcome to the AP Calculus class of 2017-18. I know you can't wait to get started 😊
Your AP Calculus summer assignment will be on the internet on webassign.net. You will have to create an account for this website. It will become visible on May 22nd at 12:00 am.

The assignment is a review of Trig/Precalculus. It is worth **117 pts**.
Due on Aug 14th, 2017 at 11:55 pm. I suggest you start early in the summer and get it finished. So that if you are having problems in logging on or have questions you can get some help. You can contact me through my school e-mail at fkhan@mail.kana.k12.wv.us or through WebAssign.

Here is the info you need to log on, create an account as well as pay for membership for your AP Calculus class:

Visit: webassign.net
Select "Enter Class Key" from top right hand corner.

Class Key: gwhs.ws 9491 0671

Membership for 2017-18 school year: \$ 35.00 (includes e-book for Ipad)

Once you log on and create an account, please use the e-mail that you use regularly. All assignment messages will be sent to it. It is your responsibility to keep up with all assignments and their due dates.

Any student needing financial help with the membership can check with the counselors.

Hope you have a wonderful summer!

Best Wishes
Mrs. Khan
