

GWHS: BACK TO SCHOOL 2020

“With Opportunity Comes Responsibility”

*GWHS will use the first week (September 8th-11th) to work out ALL scheduling & E-learning expectations. It is very important that students log on to Schoology on a daily basis for attendance purposes. Teachers will be updating information regularly and it is important that we establish our E-Learning routines early on. If you have any questions, please feel free to email me, an assistant principal or a counselor at any time. Each administrator will be working with a specific counselor to identify E-Learning issues or concerns.
