

AP US History Summer Assignment 2023

Students will need to purchase the **AMSCO AP US History Review Book, 4th Edition**. It's published by Perfection Learning. A new book costs about \$30.00 on Amazon and used ones start at around \$8.00. You can probably find a few used books from the students who took AP US History this year. You will use this book all year so it is definitely a worthwhile purchase. If you don't have the funds for the book, please send me an email so I can make the book available to you.

US History is divided into nine historical periods covering the years 1491 – present day. The summer assignment will cover Period 1 and will allow us to begin at full speed when we come back in August.

Assignment: Read pages 1-31. Answer the questions on the pages identified below. Answers should be in complete sentences and in your handwriting. The assignment is due Monday, August 21.
