

AP CALCULUS SUMMER ASSIGNMENT

Welcome to the AP Calculus class of 2023-24. I know you can't wait to get started 😊 Your AP Calculus summer assignment will be on the internet on webassign.net. You will have to create an account for this website. It will become visible on Friday May 26th at 12:00 am.

The assignment is a review of Trig/Precalculus. It is worth **117 pts**. **Due on Aug 17th, 2023 at 11:55 pm**. I suggest you start early in the summer and get it finished. So that if you are having problems in logging on or have questions you can get some help. You can contact me through my school e-mail at fkhan@mail.kana.k12.wv.us or through WebAssign.

Here is the info you need to log on, and create an account for your AP Calculus class:

Visit: webassign.net
Select "Enter Class Key" from top right hand corner.

Class Key: gwhs.ws 4879 0213

You can also use the link:
<https://www.getenrolled.com/?courseKey=gwhs.ws48790213>

Membership is free for all students enrolled in AP Calculus AB class and you get access to e-book.

Once you log on and create an account, **please use the e-mail that you check regularly**. All assignment messages will be sent to it. It is your responsibility to keep up with all assignments and their due dates.

Hope you have a wonderful summer!

Best Wishes
Mrs. Khan
